

Product Data Sheet

Puzzi 8/1 C

A spray extraction cleaner for upholstery or spot cleaning.

The powerful and compact Puzzi 8/1 C enhances Kärcher's spray extraction range as it is ideal for upholstery cleaning and spot cleaning of carpeted floors. Due to the excellent suction power, the Puzzi 8/1 C leaves carpets and upholstery virtually dry to touch in minutes. It's lightweight construction means this unit can be transported easily from one place to another perfect for use in hotels, hospitals, shops and the automotive industry.

Features and Benefits:

- The lightweight construction and large handles means it can be transported easily in one hand
- The power cord and spray extraction hose can be stored via a hook on top of the machine
- The hand tool can be clipped on the machine
- 2 large rear wheels and 2 front castors ensure easy manoeuvrability even on uneven surfaces
- Foot operated switches for the vacuum motor and pump can be switched on/off independently
- The dirty water tank can be removed for easy disposal and for fresh water refilling before the cleaning process starts
